What a beautiful spot!!! Situated on a cul-de-sac on a lovely acre of tall trees is this 5 bedroom colonial in the Elwood School District.... This home is beautifully situated on the property with a paver driveway leading to your oversized two car garage.... Looking to put your own touches into the home that you buy? This is your perfect opportunity with a ton of potential! Walk on the brick front walkway to your front door ... walk into the spacious front foyer. To the right is your livingroom, to the left the formal dining room. Straight back is a Family Room with a wood burning fireplace. Next is the spacious eat in kitchen with sliding doors leading to a brand new Trex deck and the very private back yard ... Plenty of space for a pool, tennis court or whatever you desire!

Once back inside the kitchen there is a doorway to the two car garage, a bedroom for your guests or a nanny and a full bath.

The lower level has the utilities including a new state of the art water heater. Also there is a partially finished area with a pool table, and a ton of storage!!!
